Press Release

War Horn Whisky
Gold Medal winner

Two years in a row, Gold Medal

Marion, VA : Appalachian Mountains Spirits has, for the second time, been awarded a Gold Medal for the Best Single Barrel Whisky. The 10th Annual Great American Distillers Festival, in Portland Oregon, is the Epicenter for Craft Distilling. Founder, Owner, and Distiller, Scott Schumaker is very proud.

"Major Spirits contests are a lot like Beauty Pageants for 5yr olds, everyone wins."

"I only enter competitions that are for Craft Distillers, my peers, if it does not pass muster.... No Award. We are the point of the sword for new tastes and unimaginable quality. We bring a passion for new and better spirits. War Horn Whisky continues to improve and the Barrel Select War Horn is my best yet. I can't wait to enter it in the American Craft Spirits Association this February."

Appalachian Mountain Spirits has two distilleries, one at 112 E Main Street in Marion, and the main plant is up in the woods...old School...pot still....all hand crafted. We also run our own ABC Distillery Store, #027, at the Mercantile on Main Street, in Marion VA. You can even try one of our tasting events held hourly.

"My mission is to honor the skills of Appalachia Whisky makers, who have been makin' shine for 200 years, right here in Virginia" "We also have a world class Bourbon aging and the nation's only "Single Malt Corn Whisky", I'm taking corn to a new level, and having a blast doing so" Says Schumaker.

AMS is one part of a vibrant, resurgence of Marion's Main Street night life. Fridays and Saturdays. We are open 7 days a week, regardless of the weather, we're always shining.

For Release- immediately.
